

# HLAY5BD21

# **Product data sheet**

#### **Characteristics**

Selector switch, HLAY5, 1NO, 2 positions 45, stay put, standard handle, black

| Main                      |                  |
|---------------------------|------------------|
| Range of product          | HLAY5            |
| Device presentation       | Complete product |
| Product or component type | Selector switch  |
| Bezel material            | Metal            |
| Mounting diameter         | 22 mm            |
| Head type                 | Standard         |

### Complementary

| Fixing collar material                      | Metal  |  |
|---|--|--|
| Cap/operator or lens colour                 | Black  |  |
| Shape of signaling unit head                | Round  |  |
| Type of operator                            | Stay put   |  |
| Operator profile                            | Black standard handle  |  |
| Operator position information               | 2 positions 45°  |  |
| Contacts type and composition               | 1 NO   |  |
| Contact operation                           | Slow-break   |  |
| Contacts usage                              | Standard contacts  |  |
| Mechanical durability                       | 100000 cycles  |  |
| Connections - terminals                     | Screw clamp terminals  |  |
| [Ith] conventional free air thermal current | 6 A  |  |
| [Uimp] rated impulse withstand voltage      | 6 kV   |  |
| [Ie] rated operational current              | 2 A at 380 V<br>3.3 A at 220 V, AC-15<br>0.5 A at 220 V<br>1.1 A at 110 V, DC-13 |  |
| Electrical durability                       | 50000 cycles   |  |

### **Environment**

| Ambient air temperature for operation | -540 °C       |
|---------------------------------------|---------------|
| Standards                             | IEC 60947-5-1 |
